

REMARKSAmendments

In the Notice of Allowability mailed December 28, 2004, the Examiner made an Examiner's Amendment to claims 1 and 3. These amendments are presented above and are indicated as "currently amended".

In the specification, an error in the Japanese text in the paragraph beginning on page 25, line 3 was noted by the translator. The amendment to this paragraph has basis in the same paragraph two sentences before the amended language.

Certified Priority Document

Although the Notice of Allowability indicated that a certified copy of the priority document has been received by the Office, the files of the undersigned have no record that a certified copy was sent. Therefore, another copy is being sent with this RCE.
